Justification for Changes Without Regulatory Effect:

Pursuant to Title 1, Division 1, Chapter 1, Article 2, section 100(b)(3), of the California Code of Regulations (CCR), the California Department of Social Services (CDSS) hereby submits this written statement explaining why the proposed amendments to CCR, Title 22, Division 6, Chapters 1 and 2 do not materially alter any requirement, right, responsibility, condition, prescription or other regulatory element of any CCR provision.

The six facilities currently under the regulatory authority of Chapter 1 are: Social Rehabilitation Facilities (SRFs), which also follow Chapter 2; Small Family Homes (SFHs), which also follow Chapter 4; Group Homes (GHs), which also follow Chapter 5; Adult Residential Facilities (ARFs), which also follow Chapter 6; Transitional Housing Placement Programs (THPPs), which also follow Chapter 7; and Adoption Agencies, which also follow Chapter 9. Currently, SRFs are under the regulatory authority of CCR Chapters 1 and 2. Chapters 2, 4 through 7 and 9 only apply to the individual category specified above and do not apply to each other. In consultation with the California Association of Social Rehabilitation Agencies (CASRA), the Department determined it would be easier for SRFs licensees if all the applicable regulations were located in one chapter rather than two. Copying all applicable regulations from Chapter 1 to the facility-specific Chapter 2 will create a standalone chapter for SRFs.

Some regulations in Chapter 1 were not moved to Chapter 2 because they never applied to SRFs as explained below (e.g. regulations about children do not apply to SRFs because SRFs cannot admit children).

These changes do not materially alter any requirement, right, responsibility, condition, prescription or other regulatory element of any CCR provision. Creating a standalone chapter for SRFs by copying all of the SRF requirements in Chapter 1 to Chapter 2 will make the meaning of the regulations more accessible and easily understood by stakeholders and the general public. Changes to the HANDBOOK in this package are not regulatory changes and are not published in Westlaw as regulations. The HANDBOOK is a secondary resource, designed to assist department employees in the field and primarily contains excerpts from other legal sources referenced in these regulations.

To facilitate the review of this package, the CDSS Community Care Licensing Division (CCLD) has outlined the regulation changes in this document as follows:

Section I:

- Section I provides an overview, in the form of a chart, of all amendments as justification for regulations which are revised as follows:
 - Requirements pertaining to SRFs are being copied from Chapter 1 into Chapter 2. Language which has been copied to Chapter 2 will remain in Chapter 1, as it still applies to facilities regulated by Chapter 1 (ADPs, SFHs, GHs, ARFs, THHPs and Adoption Agencies).
 - SRF-specific regulations are being repealed from Chapter 1. SRFs are defined in Health and Safety Code section 1502(a)(7) and CCR Title 22, Division 6, Chapter 1, Section 80001(s)(4) as follows:

"Social rehabilitation facility" means any residential facility that provides social rehabilitation services for no longer than 18 months in a group setting to adults recovering from mental illness who temporarily need assistance, guidance, or counseling. Program components shall be subject to program standards pursuant to Article 1 (commencing with Section 5670) of Chapter 2.5 of Part 2 of Division 5 of the Welfare and Institutions Code.
- Regulations pertaining solely to children have not been copied to Chapter 2 because these references never applied to SRFs per the statute above.
- If further explanation is needed in this chart, it is indicated in the "Notes" column.
- Changes outlined in Section I are made to revise structure, syntax, erroneous cross-references, grammar and punctuation. Other changes make regulatory provisions consistent with a changed California statute.

Section II:

- Section II provides justification regarding regulations changes that require additional explanation than is provided in Section I.

Section III:

- Section III provides justification for non-substantive amendments to forms.

Section I. Changes:

The following acronyms will be used in the chart below: Chapter (Ch.), Social Rehabilitation Facility (SRF), Department of Health Care Services (DHCS), Department of Mental Health (DMH). Some sections were not moved from Title 22, Ch. 1 (General Licensing Requirements) to Ch. 2 (Social Rehabilitation Facilities) because they don't apply to SRFs.

Chapter 2. Social Rehabilitative Facilities	
81000(a)	Removed references to 80001s.(3) and Ch. 1, and added reference to 81001(s)(4) because Ch. 1 will not apply to SRFs.
81000(b)	Reference to 81000(a) added for clarity. Corrected the path to the citation to Title 9, which DHCS uses to certify SRFs as those regulations were reorganized. Non-substantive because it references the same provisions of Title 9 regulations.
81000(c)	81000(c) deleted because the Title 9 regulations it references have already been promulgated, so it has no further effect. Text from 80000(b) was copied to this subsection, as Ch. 1 will not apply to SRFs.
81001	All subsections of 81001 reformatted for consistency (e.g. "a." reformatted to "(a)", "b." reformatted to "(b)", etc.) Removed reference to Ch. 1 because Ch. 1 will not apply to SRFs.
81001(a)(1) through (a)(3)	Copied from 80001(a)(1) through (a)(3) consecutively because Ch. 1 will not apply to SRFs.
81001(a)(4)	Copied from 80001(a)(6) because Ch. 1 will not apply to SRFs. Replaced "community care facility" with "social rehabilitation facility" because Ch. 2 will only apply to SRFs. 80001(a)(4) and (a)(5)(B) were not copied because all facilities covered by Ch. 2 (SRFs) may not, by statutory definition, include Adult Residential Facilities (ARFs).
81001(a)(5)	Copied from 80001(a)(7) because Ch. 1 will not apply to SRFs. Removed reference to "a minor's parent" and "a legal guardian" because all facilities covered by Ch. 2 (SRFs) may not, by statutory definition, serve children.
81001(a)(6)	Copied from 80001(a)(8) because Ch. 1 will not apply to SRFs. Non-substantive grammar change ("light-weight" to "lightweight") for accuracy.
81001(b)(1) through (c)(3)(A)	Copied from 80001(b)(1) through (c)(3)(A) consecutively because Ch. 1 will not apply to SRFs.
81001(c)(3)(B)	Copied from 80001(c)(3)(B) because Ch. 1 will not apply to SRFs. Reference to 80075 is updated to 81075 because the requirements for assistance with medication were copied to 81075.
81001(c)(3)(C)	Copied from 80001(c)(3)(C) because Ch. 1 will not apply to SRFs. Reference to 80075 is updated to 81075 because the requirements in 80075 were copied to 81075.
81001(c)(3)(D) through (c)(3)(H)	Copied from 80001(c)(3)(D) through (c)(3)(H) consecutively because Ch. 1 will not apply to SRFs.
81001(c)(3)(I)	Copied from 80001(c)(3)(I) because Ch. 1 will not apply to SRFs. Reference to 80001(b)(2) updated to 81001(b)(2) because the requirements in 80001(b)(2) were copied to 81001(b)(2).
81001(c)(4) through (c)(4)(D)	Copied from 80001(c)(4) through (c)(4)(D) consecutively because Ch. 1 will not apply to SRFs.
81001(c)(4)(E)	Copied from 80001(c)(4)(F) because Ch. 1 will not apply to SRFs. Reference to 80001(c)(4)(E) was not copied because facilities covered by Ch. 2 (SRFs) may not, by statutory definition, serve children.
81001(c)(5)	Relettered from 81001(c)(1) to maintain lettering order. Reference to DMH is updated to DHCS because the SRF certification function moved from DMH to DHCS. This move of the certification function was not a change in requirements for the SRFs. See Section 2 below for further explanation.

81001(c)(6)	<p>Copied from 80001(c)(9) because Ch. 1 will not apply to SRFs. Reference to "child" removed because all facilities covered by Ch. 2 (SRFs) may not, by statutory definition, serve children. Replaced "community care facility" with "social rehabilitation facility" because Ch. 2 will only apply to SRFs. The added reference to Health and Safety Code section 1500 et seq. is for ease of use and does not alter any right, responsibility, condition or other element of this section.</p> <p>80001(c)(5), (c)(6), (c)(7) and (c)(8) were not copied because all facilities covered by Ch. 2 (SRFs) may not, by statutory definition, serve children.</p>
81001(c)(7)	Copied from 80001(c)(10) because Ch. 1 will not apply to SRFs. Omitted the word "six" for succinctness because it is unnecessary and not naming the number does not alter the meaning of the sentence. The reference to "all six activities of daily living" is updated to 81001(a)(1) because "activities of daily living" are defined in Section 81001(a)(1). Reference to 81001(a)(1) is for ease of use and does not alter any right, responsibility, condition or other element of this section.
81001(c)(8)	Copied from 80001(c)(11) because Ch. 1 will not apply to SRFs.
81001(c)(9)	Copied from 80001(c)(12) because Ch. 1 will not apply to SRFs. Reference to 80001c.(2) is updated to 81001(c)(3) to maintain lettering order. 80001c.(2) originally was the definition for "Care and Supervision," but was subsequently updated to 80001(c)(3). However, the regulation lettering update was adopted without a corresponding update to the reference contained in 80001(c)(12). 81001(c)(3) will correctly refer the reader to the definition of "Care and Supervision" which is the correct reference because 81001(c)(9) states that it is referring to the definition of "Care and Supervision."
81001(c)(10)	Copied from 80001(c)(14) because Ch. 1 will not apply to SRFs. 80001(c)(13) was not copied because all facilities covered by Ch. 2 (SRFs) may not, by statutory definition, serve children.
81001(c)(10)(A)	Copied from 80001(c)(14)(A) because Ch. 1 will not apply to SRFs. Reference to 80019 is updated to 81019 because the requirements in 80019 were copied to 81019.
81001(c)(10)(B)	Copied from 81001(c)(14)(B) because Ch. 1 will not apply to SRFs.
81001(c)(11) through (c)(14)(B)	Copied from 80001(c)(15) through (c)(18)(B) consecutively because Ch. 1 will not apply to SRFs.
81001(c)(15)	Copied from 80001(c)(19) because Ch. 1 will not apply to SRFs. The added spelling out of "Federal Bureau of Investigation" is for ease of use and does not alter any right, responsibility, condition or other element of this section.
81001(d)(1) and (d)(2)	Copied from 80001(d)(1) and (d)(2) because Ch. 1 will not apply to SRFs.
81001(d)(3)	Copied from 80001(d)(4) because Ch. 1 will not apply to SRFs. 80001(d)(3) was not copied because the SRF facility type cannot utilize delayed egress devices per Health and Safety Code section 1531.1(a).
81001(d)(4)	Copied from 80001(d)(5) because Ch. 1 will not apply to SRFs. The added reference to CDSS is for ease of use and does not alter any right, responsibility, condition or other element of this section.
81001(d)(5) through (d)(6)	Copied from 80001(d)(6) through (d)(7) consecutively because Ch. 1 will not apply to SRFs.
81001(d)(7)	Copied from 80001(d)(8) because Ch. 1 will not apply to SRFs. Reference to CDSS added for ease of use and does not alter any right, responsibility, condition or other element of this section.

81001(d)(8)	Relettered from 81001(d)(1) to maintain lettering order. Added "the" for clarity.
81001(e)(1) through (e)(4)	Copied from 80001(e)(1) through (e)(4) consecutively because Ch. 1 will not apply to SRFs.
81001(e)(5)	Relettered from 81001(e)(1) to maintain lettering order.
81001(e)(6) through (e)(8)	Copied from 80001(e)(5) through (e)(7) consecutively because Ch. 1 will not apply to SRFs. 80001(e)(8) was not copied because an "existing facility" refers to a Community Care Facility (CCF) operating under a valid, unexpired license on the date Chapter 1 became effective. This phrase is not used in the General Licensing Requirements regulations (Ch. 1), nor in SRF regulations (Ch. 2).
81001(f)(1)	Copied from 80001(f)(1) because Ch. 1 will not apply to SRFs.
81001(g)(1)	Copied from 80001(g)(2) because Ch. 1 will not apply to SRFs. 80001(g)(1) was not copied because all facilities covered by Ch. 2 (SRFs) may not, by statutory definition, serve children.
81001(h)(1)	Copied from 80001(h)(1) because Ch. 1 will not apply to SRFs. Reference to 80091 is updated to 81091 because the requirements in 80091 were copied to 81091. Non-substantive changes made to punctuation for clarity (semicolon added). 80001(h)(2) was not copied because the term "home economist" is not used in Ch. 2 or the Ch. 1 regulations that previously applied to SRFs.
81001(i)(1)	Copied from 80001(i)(2) because Ch. 1 will not apply to SRFs. 80001(i)(1) was not copied because all facilities covered by Ch. 2 (SRFs) may not, by statutory definition, serve children.
81001(i)(2)	Copied from 80001(i)(3) because Ch. 1 will not apply to SRFs. Removed reference to ARFs because they are not covered by Ch. 2. Removed reference to SRF to avoid duplication.
81001(j) and (k)	Formatting change only.
81001(l)(1)	Copied from 80001(l)(1) because Ch. 1 will not apply to SRFs. Replaced "community care facility" with "social rehabilitation facility" because Ch. 2 will only apply to SRFs.
81001(l)(2)	Copied from 80001(l)(2) because Ch. 1 will not apply to SRFs.
81001(l)(3)	Copied from 80001(l)(3) because Ch. 1 will not apply to SRFs. Replaced "community care facility" with "social rehabilitation facility" because Ch. 2 will only apply to SRFs.
81001(l)(4)	Copied from 80001(l)(4) because Ch. 1 will not apply to SRFs.
81001(l)(5)	Relettered from 81001l.(1) to maintain lettering order. Reference to WIC section 5458 updated to 5671; see Section 2 below for further explanation.
81001(m)(1) through (m)(2)	Copied from 80001(m)(1) through (m)(2) consecutively because Ch. 1 will not apply to SRFs.
81001(m)(3)	Relettered from 81001m.(1) to maintain lettering order.
81001(n)(1)	Continued from 81001(n)(1).
81001(n)(2)	Copied from 80001(n)(2) because Ch. 1 will not apply to SRFs.
81001(n)(2)(A)	Copied from 80001(n)(2)(A) because Ch. 1 will not apply to SRFs. The reference to 80072(a)(8) is updated to 81072(a)(8) because the requirements in 80072(a)(8) were copied to 81072(a)(8).
81001(n)(2)(B)	Copied from 80001(n)(2)(B) because Ch. 1 will not apply to SRFs. Definition for "nutritionist" in 80001(n)(3) not moved over because this term does not appear in Ch. 2.
81001(o)(1)	Lettering reformatting only.
81001(p)(1)	Copied from 80001(p)(1) because Ch. 1 will not apply to SRFs.

81001(p)(2) through (p)(3)	Copied from 80001(p)(2) through (p)(3) consecutively because Ch. 1 will not apply to SRFs.
81001(p)(4)	Relettered from 81001p.(1) to maintain lettering order.
81001(p)(5)	Copied from 80001(p)(4) because Ch. 1 will not apply to SRFs. Two non-substantive changes made to punctuation for clarity (commas added).
81001(p)(6)	Copied from 80001(p)(5) because Ch. 1 will not apply to SRFs. Reference to 80030 is updated to 81030 because the requirements in 80030 were copied to 81030.
81001(q)	Lettering reformatting only.
81001(r)(1) through (r)(3)	Copied from 80001(r)(1) through (r)(3) consecutively because Ch. 1 will not apply to SRFs.
81001(s)(1)	Copied from 80001(s)(1) because Ch. 1 will not apply to SRFs. Replaced "community care facility" with "social rehabilitation facility" because Ch. 2 will only apply to SRFs.
81001(s)(2)	Relettered from 81001s.(1) to maintain lettering order. WIC section 5458 updated to 5671; see Section 2 below for detailed explanation.
81001(s)(3)	Copied from 80001(s)(2) because Ch. 1 will not apply to SRFs.
81001(s)(4)	Relettered from 81001s.(2) to maintain lettering order.
81001(s)(5)	Copied from 80001(s)(5) because Ch. 1 will not apply to SRFs. 80001(s)(3) was not copied because all facilities covered by Ch. 2 (SRFs) may not, by statutory definition, serve children. 80001(s)(4) was not copied because it is duplicative of the current 81001s.(2) which is relettered to (s)(4).
81001(s)(6)	Copied from 80001(s)(6) because Ch. 1 will not apply to SRFs. Non-substantive change to syntax for clarity ("SSI/SSP" updated to "Supplemental Security Income/State Supplemental Program").
81001(s)(7) through (t)(1)	Copied from 80001(s)(7) through (t)(1) consecutively because Ch. 1 will not apply to SRFs.
81001(t)(2)	Relettered from 81001(t)(1) to maintain lettering order. See Section 2 below for detailed explanation.
81001(t)(3)	Relettered from 81001(t)(2) to maintain lettering order. Reference to DMH is updated to DHCS because the SRF certification function moved from DMH to DHCS. This move of the certification function was not a change in requirements for the SRFs. See Section 2 below for further explanation.
81001(t)(4)	Relettered from 81001(t)(3) to maintain lettering order. Corrected the path to the citation to Title 9, which DHCS uses to certify SRFs as those regulations were reorganized. Non-substantive because it references the same provisions of Title 9 regulations. The added reference to 81068.2(b)(3) is for ease of use and does not alter any right, responsibility, condition or other element of this selection.
81001(u)(1)through (u)(2)	Copied from 80001(u)(1) through (u)(2) consecutively because Ch. 1 will not apply to SRFs.
81001(u)(2)(A)	Copied from 80001(u)(2)(B) because Ch. 1 will not apply to SRFs. Reference to 80001(u)(2)(A) was originally published as a "Reserved" citation and was omitted in Ch. 2 because it has no regulatory requirements. Reference to 80001(c)(2) was updated to 81001(c)(3) because the requirements in 80001(c)(2) were copied to 81001(c)(3). For further explanation, please see the explanation for 81001(c)(9) on page 5 of this document.

81001(v)	(Reserved)
81001(w)(1)	Copied from 80001(w)(1) because Ch. 1 will not apply to SRFs.
81001(x) through (z)	(Reserved)

81022(b)(13) through (b)(14)	Copied from 80022(b)(13) through (b)(14) consecutively because Ch. 1 will not apply to SRFs.
81022(b)(15)	Relettered from 81022(a)(1) to maintain lettering order.
81022(b)(16)	Relettered from 81022(a)(2) to maintain lettering order.
81022(b)(17)	Relettered from 81022(a)(3) to maintain lettering order. Removed reference to 80076 and 80087 because Ch. 1 will not apply to SRFs and the requirements of 80076 and 80087 are copied to Sections 81076 and 80087 consecutively.
81022(b)(18)	Relettered from 81022(a)(4) to maintain lettering order. The reference to 81065(f) is being updated to 81065(q). 81022(a)(4) currently contains a reference for 81065(f) which originally contained the requirement for licensees to develop, maintain and implement a written plan for orientation, continuing education, on-the-job training, supervision and evaluation of all direct care staff [Exhibit A]. 81065(f) was subsequently relettered to 81065(e) in 1991. However, the regulation lettering update was adopted without a corresponding update to the reference contained in 81022(a)(4). Therefore, 81022(a)(4) still incorrectly references 81065(f). There was no material change to 81065(f) when the lettering update was adopted. The requirements in 81022(b)(18) should reference the requirements for licensees to develop, maintain and implement a written plan, which was originally located at 81065(f) and is currently located at 81065(e). In this Section 100 package, the current 81065(e) is being relettered to 81065(q). This relettering is non-substantive, as it does not materially alter any requirement, right, responsibility, condition, prescription or other regulatory element of this section.

81022(b)(19)	Relettered from 81022(a)(5) to maintain lettering order. 81022(a)(5) currently contains the reference to 81065(g). 81065(g) originally contained the text that is currently in 81065(f) and speaks to all direct care staff receiving a minimum of 20 clock-hours of continuing education [<i>Exhibit A</i>]. 81065(g) was subsequently updated in 1991 and re-lettered to 81065(f). However, the regulation lettering update was adopted without a corresponding relettering to the reference contained in 81022(a)(5). There was no material change to 81065(g) when the lettering update was adopted. Therefore, 81022(a)(5) currently references 81065(g) which does not currently exist. The requirements in 81022(b)(19) should have been changed at that time to reference the requirements for continuing education which are currently located at 81065(f). In this package 81065(f) is being relettered to 81065(r). This relettering is non-substantive, as it does not materially alter any requirement, right, responsibility, condition, prescription or other regulatory element of this section.
81022(b)(20)	Relettered from 81022(a)(6) to maintain lettering order.
81022(b)(21)	Relettered from 81022(a)(7) to maintain lettering order. Reference to DMH is updated to DHCS because the SRF certification function moved from DMH to DHCS. 81022(d)(1)	Relettered from 81022(d)(1) to maintain lettering order. Reference to 81001 s.(1) updated to 81001(s)(2) because the requirements for a short term crisis residential program were relettered from 81001 s.(1) to 81001(s)(2).

81068.2(b)	No change.
81068.2(b)(1)	Corrected citation to Title 9, which DHCS uses to certify SRFs, as those regulations were reorganized. Non-substantive because it references the same provisions of Title 9.
81068.2(b)(2) and (b)(3)	No change.
81068.2(b)(4)	Reference to 80092 updated to 81092 because restricted health conditions in 80092 were copied to 81092. Reference to 80092.2 updated to 81092.2 because the Restricted Health Condition Plans in 80092.2 were copied to 81092.2.

81068.4	No change.
81068.5(a)	Continued from existing 81068.5(a). Did not copy information on children's residential facilities from 80068.5(a) because all facilities covered by Ch. 2 (SRFs) may not, by definition, serve children.
81068.5(a)(1)	Continued from existing 81068.5(a)(1). 80068.5(a)(1) was not copied because the language is an exact copy of 81068.5(a)(1).

Non-substantive grammatical change made for consistency (deleted "has" and added "must have"). Reference to 81068.3(d)(3) updated to 81068.3(f)(3) because the requirements for circumstances in which the licensee is unable to meet clients' needs in 81068.3(d)(3) were relettered to 81068.3(f)(3).

The general licensing requirements were updated on 2/1/97 and 80069(b) was updated to 80069(c) to maintain lettering order. However, the regulation lettering update was adopted without a corresponding update to the reference contained in 81069(a)(1). Therefore, the reference in 81069(a)(1) still incorrectly references 80069(b). This update to 81069(c) will correctly refer the reader to the specific requirements for medical assessments which is consistent with the current 80069(c). This relettering is non-substantive, as it does not materially alter any requirement, right, responsibility, condition, prescription, or other regulatory element of this section.

Section II. Additional Explanations:

The following sections are explained in more detail below: 80000(a)(4), 80019(c), 80070(b)(13), 80070(d)(1)(H), 80087(h), 81001(l)(5), 81001(s)(2), 81001(t)(2) and 81001(t)(3).

Section 80001(a)(4)

Proposed Change:

Delete reference to SRFs from the definition of "Adult Community Care Facility" in Chapter 1.

Section 100 Justification:

The reference to SRFs is being removed because Chapter 1 will no longer apply to SRFs. This definition is not necessary to add to Chapter 2 because (A) the term "Adult Community Care Facility" is not used in Chapter 2 and (B) it would be duplicative because the Community Care Facilities Act (Health and Safety Code section 1502(a)(7)) clearly states that an SRF provides services to an adult. Section 1502(a)(7) provides:

"Social rehabilitation facility" means any residential facility that provides social rehabilitation services for no longer than 18 months in a group setting to adults recovering from mental illness who temporarily need assistance, guidance or counseling. Program components shall be subject to program standards pursuant to Article 1 (commencing with Section 5670) of Chapter 2.5 of Part 2 of Division 5 of the Welfare and Institutions Code. Health and Safety Code section 1502(a)(7).

Section 80019(c)

Proposed Change:

Replace reference to Health and Safety Code section 1522(a)(5) with Section (a)(4) and change "s" to lowercase.

Section 100 Justification:

Reference to 1522(a)(5) was changed to 1522(a)(4)(E) to make the reference consistent with statutory changes. Specifically, Section 1522(a)(5), originally adopted by SB 933 (Legislative Session 1998-1999, c. 311), was subsequently renumbered as 1522(a)(4)(E) [Stats. 2000, c. 819 (S.B.1992)].

The following compares the current Section 1522(a)(4)(E) with the former 1522(a)(5) (referenced in 80091(c) in ~~strikeout~~ and underline as follows:

~~1522(a)(5)~~ 1522(a)(4)(E)

(5) An applicant and any other person specified in subdivision (b) shall submit ~~fingerprint images and related information~~ a second set of fingerprints to the Department of Justice

for the purpose of searching the criminal records of the Federal Bureau of Investigation, in addition to the criminal records search required by this subdivision. If an applicant and all other persons described in subdivision (b) meet all of the conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal ~~offender record history~~ information search response for the applicant or any of the persons described in subdivision (b), the department may issue a license if the applicant and each person described in subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction, as ~~prescribed~~ defined in paragraph (1) subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, ~~or the issuance of a certificate of approval of a certified family home by a foster family agency,~~ the department determines that the licensee or ~~any other a~~ person specified in subdivision (b) has a criminal record, ~~the department may revoke the license, or require a foster family agency to revoke the certificate of approval, may be revoked~~ the department may revoke the license, or require a foster family agency to revoke the certificate of approval, may be revoked pursuant to Section 1550. The department may also suspend the license ~~or require a foster family agency to suspend the certificate of approval pending an administrative hearing pursuant to Section 1550.5.~~

In subdiv. (a), the first through fourth sentences were relettered to (1)-(4), and former paragraphs (1)-(5) were relettered to subparagraphs (A)-(E) of paragraph (4). Thus, the change to 80019(c) makes the regulatory provision consistent with the renumbered statute.

The CDSS has no discretion to adopt a change which differs in substance from applicable statute. This change is also necessary for the regulations to be easily understood by persons directly affected by them. For these reasons, the proposed changes are neither material changes nor materially alter any requirement, right, responsibility, condition, prescription or other regulatory element of any CCR provisions.

There have been 19 legislative actions since the enactment of Section 1522 making additional non-substantive changes noted in the above strikeouts and underline. These are contained in the statutory language, and their changes and inclusions here only track to make a regulatory provision consistent with a changed California statute.

For example, the following were changed over the years by these legislative actions:

- Stats. 1999, c. 881, "Fingerprint images and related information" was changed to "a second set of fingerprints" in the introductory language; this change also inserted subds. (a)(5) and (d)(1)(D), relating to the submission of a second set of fingerprints to the Department of Justice.
- Stats. 2006, c. 902 (S.B.1759), in subd. (a)(4)(E), in the second sentence, substituted "offender record" for "history," and inserted "search response"; and added subds. (a)(4)(F) and (a)(4)(G).
- Stats. 2012, c. 47 (S.B.1041), in subd. (a)(3), substituted "2012-13" for "2011-12"; and in subd. (a)(4)(E), substituted "prescribed" for "defined."

- Stats. 2014, c. 29 (S.B.855), in subd. (a)(4)(E), in the third sentence, substituted "or the issuance of a certificate of approval of a certified family home by a foster family agency, the department determines that the licensee or any other person specified in subdivision (b) has a criminal record, the department may revoke the license or require a foster family agency to revoke the certificate of approval," for "the department determines that the licensee or any other person specified in subdivision (b) has a criminal record, the license may be revoked" and, in the fourth sentence, inserted "or require a foster family agency to suspend the certificate of approval" following "suspend the license."

Section 80070(b)(13)

Proposed Change:

Delete reference to "mental health assessment specified in Section 80069.3."

Section 100 Justification:

Section 80069.3 was deleted, moved to Chapter 6 (ARFs) and renumbered to Section 85069.3 by Manual Letter No. CCL-98-09, effective October 1, 1998. Section 85069.3 does not apply to SRFs because Chapter 6 only applies to Adult Residential Facilities per Section 85000(a). Deleting Section 80070(b)(13) has no effect on SRFs or any other facility type because its substance (Section 80069.3) no longer exists.

In addition, Section 80069.3 was not moved to Chapter 2 when it was renumbered because the Department of Mental Health (DMH) (which certified the mental health program of SRFs) already required an assessment which addressed mental health issues per CCR Title 9, Section 532.2(b), so adding another mental health assessment was unnecessary and duplicative. DMH was closed and the certification responsibility is now with the Department of Health Care Services (DHCS). DHCS continues to require the assessment referenced in Title 9 Section 532.2(b). For these reasons the proposed changes are neither material changes nor materially alter any requirement, right, responsibility, condition, prescription, or other regulatory element of any CCR provisions.

Section 80070(d)(1)(H)

Proposed Change:

Deleted "(H) Mental Health assessment specified in Section 80070(b)(13)."

Section 100 Justification:

Like 80070(b)(13) above, the Section points the reader to the now deleted Section 80069.3. Thus, deleting the reference will have no effect on SRFs or any other facility type. DMH (which certified the mental health program of SRFs) already required an assessment which addressed mental health issues per CCR Title 9, Section 532.2(b), so adding another mental health assessment was unnecessary and duplicative. DMH was closed and the certification

responsibility is now with DHCS. DHCS continues to require the assessment referenced in Title 9 Section 532.2(b). For these reasons, the proposed changes are neither material nor materially alter any requirement, right, responsibility, condition, prescription or other regulatory element of any CCR provisions.

Section 81001(1)(5)

Proposed Change:

Replace reference to Welfare and Institutions Code section 5458 and with 5671(b) as follows:

(5) "Long-Term Residential Treatment Program" means a program as defined in Welfare and Institutions Code section ~~5458(b)~~ 5671(b).

Section 100 Justification:

Replacing Section 5458(b) with 5671(b) makes Title 22 regulations consistent with a statutory change. Welfare and Institutions Code section 5458 was repealed in 1991. The definition of "Long-Term Residential Treatment Program" is now set forth in Welfare and Institutions Code section 5671(b). The statutory changes are noted below in the strikeout and underline. This change in the regulatory reference does not require regular rulemaking because the statute already requires this definition and it is not being interpreted or made more specific.

The DHCS certifies using the authority of Title 9. SRFs can be certified by DHCS as one of three possible sub-types: a Short-Term Crisis Residential Program, a Transitional Residential Program, or a Long-Term Residential Treatment Program. CDSS licenses all three sub-types after receiving the certification from DCHS.

Long-Term Residential Treatment Programs are defined in Sections 5670 and 5671 of the Welfare and Institutions Code. The changed language comparing the former Section 5458(b) with the current 5671(b) is shown in strikethrough and underline below:

~~5458(b)~~ 5671(b)

(b) A long-term residential treatment program, with a full day treatment component as a part of the program, for persons who may require intensive support for as long as two or three years. This program ~~shall~~ should be designed to provide a rehabilitation program for the so-called "chronic" patient who needs long-term support in order to develop independent living skills. The clients in this program ~~are to~~ should be those who would otherwise be living marginally in the community with little or no service support, and who would return many times to the hospital for treatment. It should also ~~is to~~ serve those who are referred to, and maintained in, state hospitals or nursing homes because they require long-term, intensive support. This program ~~is to~~ should go beyond maintenance to provide an active rehabilitation focus for these individuals.

The services in this program ~~shall~~ should include, but not be limited to, intensive diagnostic work, including learning disability assessment, full day treatment program with an active prevocational and vocational component, special education services,

outreach to develop linkages with the general social service system, and counseling to aid clients in developing the skills to move toward a less structured setting.

Section 81001(s)(2)

Proposed Change:

Delete reference to Welfare and Institutions Code section 5458 and replace with Section 5671(c) as follows:

(2) "Short-Term Crisis Residential Program" means a program type as defined in Welfare and Institutions Code, ~~Section 5458~~ 5671(a).

Section 100 Justification:

Replacing section 5458 with 5671 makes a regulatory provision consistent with a changed California statute. Welfare and Institutions Code section 5458 was repealed in 1991. The definition of "Short-Term Crisis Residential Program" is now set forth in Welfare and Institutions Code section 5671(a) and the Department has no legal option other than to abide by the current statutory definition. The statutory changes are noted below in the strikeout and underline. This change in the regulatory reference does not require regular rulemaking because the statute already requires this definition and it is not being interpreted or made more specific.

The DHCS certifies using the authority of Title 9. SRFs can be certified by DHCS as one of three possible sub-types: a Short-Term Crisis Residential Program, a Transitional Residential Program or a Long-Term Residential Treatment Program. CDSS licenses all three sub-types after receiving the certification from DCHS.

The changed language comparing the former Section 5458(a) with the current 5671(a) is shown in strikethrough and underline below:

~~5458(a)~~ 5671(a)

A program for a short-term crisis residential alternative to hospitalization for individuals experiencing an acute episode or crisis requiring temporary removal from their home environment. The program ~~shall~~ should be available for admissions 24 hours a day, seven days a week. The primary focus of this program ~~shall~~ should be on reduction of the crisis, on stabilization and on a diagnostic assessment of the person's existing support system, including recommendations for referrals upon discharge.

The services in the program should include, but not be limited to, provision for direct family work, connections to prevocational and vocational programs and development of a support system, including income and treatment referrals. This program should be designed for persons who would otherwise be referred to an inpatient unit, either locally or in the state hospital. This program should place an emphasis on stabilization and appropriate referral for further treatment or support services, or both.

Section 81001(t)(2)

Proposed Change:

Delete reference to Welfare and Institutions Code section 5458 and replace with Section 5671(c) as follows:

(2) "Transitional Residential Program" means a program type as defined in the Welfare and Institutions Code section ~~5458(e)~~ 5671(c).

Section 100 Justification:

Replacing Section 5458(c) with 5671(c) makes a regulatory provision consistent with a changed California statute. Welfare and Institutions Code section 5458 was repealed in 1991. The definition of "Transitional Residential Program" is now set forth in Welfare and Institutions Code section 5671(c). The statutory changes are noted below in the strikeout and underline. This change in the regulatory reference does not require regular rulemaking because the statute already requires this definition and it is not being interpreted or made more specific.

The DHCS certifies using the authority of Title 9. SRFs can be certified by DHCS as one of three possible sub-types: a Short-Term Crisis Residential Program, a Transitional Residential Program or a Long-Term Residential Treatment Program. CDSS licenses all three sub-types after receiving the certification from DCHS.

The changed language comparing the former Section 5458(c) with the current 5671(c) is shown in strikethrough and underline below:

~~5458(e)~~ 5671(c)

A transitional residential program designed for persons who are able to take part in programs in the general community, but who, without the support of counseling, as well as the therapeutic community, would be at risk of returning to the hospital. This program may employ a variety of staffing patterns and ~~is~~ should be for persons who may be expected to move toward a more independent living setting within approximately three months to one year. The clients ~~shall~~ should be expected to play a major role in the functioning of the household, and shall be encouraged to accept increasing levels of responsibility, both in the residential community, and in the community as a whole. Residents ~~are~~ should be required to be involved in daytime activities outside of the house which are relevant to their personal goals and conducive to their achieving more self-sufficiency.

The services in this program should include, but are not limited to, counseling and ongoing assessment, development of support systems in the community, a day program which encourages interaction between clients and the community-at-large and an activity program that encourages socialization and utilization of general community resources.

Section 81001(t)(3)

Proposed Change:

Change reference to "Department of Mental Health" to "Department of Health Care Services."

Section 100 Justification:

The Governor's realignment for Fiscal Year 2011-12 and Budget for Fiscal Year 2012-2013 eliminated DMH. (Article V, California Constitution). In 1967 the Legislature statutorily recognized the Governor's authority to reorganize the executive branch by using the "executive reorganization" process. That process is spelled out in Government Code sections 12080 – 12081. Certain functions of DMH, including certification of treatment programs, are now within the Mental Health Services Division of DHCS ("Mental Health Alignment," Leg. Analyst's Office Report to Legislative Subcommittee on Health and Human Services, January 26, 2011; See also Governor's Budget Summary 2011-12). Therefore, this change is making a regulatory provision consistent with a changed California statute and CDSS has no discretion to adopt a change which differs in substance from the one chosen. This change is necessary for the meaning of the regulations to be easily understood by those persons directly affected by them to refer to the correct state department.

Section III: Form Changes:

Section 81001(e)(3)

Form Number: LIC 9117 – Emergency Approval to Operate

Proposed Change and Justification

Old revision date: 4/93

New revision date: 8/14

- Change #1:
 - The content in the header was changed in the 8/14 version to read: "State of California - Health and Human Services Agency." The 4/93 version states: "State of California - Health and Welfare Agency."

- Change #2:
 - The content in the header was changed in the 8/14 version to read: "California Department of Social Services." The 4/93 version states: "Department of Social Services."

 - This non-substantive change was made for clarity.
- Change #3:
 - The signature line in 8/14 version was changed to read: "Regional Manager." The 4/93 version states: "Licensing Program Manager."

The change from "Licensing Program Manager" to "Regional Manager" yielded no changes in the job description, employee compensation or duties of the position.
